

# Technology Day

## KAPOLEI, OAHU

MAY 13, 2026  
8:30 AM - 5 PM

**Register  
Today!**

## Join Us!

Emerson and Caltrol invite you to attend an impactful day full of measurement instrument and valve/final actuation seminars focused on application solutions and strategies for higher reliability and improved efficiency.

We offer a wide variety of topics presented by Emerson and Caltrol experts and designed to address the challenges you face in your role.

### Your Registration Includes

- Complimentary breakfast and lunch
- A full track of seminars customized to you and your job responsibilities  
- **See next page for full schedule**
- Engage in one-on-one conversations with product and technology experts

## Seminar Details

This seminar is presented at no charge

### Date & Time

Wednesday, May 13th, 2026  
8:30 AM to 5 PM (Check-In and breakfast at 8:30 AM)

### Location

Embassy Suites by Hilton Oahu Kapolei  
725 Manawai St  
Kapolei, HI 96707

**\* Complimentary gated and street parking available\***

### Who Should Attend

Engineers, Technicians, Plant Managers, Maintenance & Reliability Teams, Piping and Equipment Inspectors, HS+E, Operations, Planners/Schedulers, Procurement, and anyone curious about the latest in industrial automation & controls

# What to Expect:

## Agenda & Demonstrations

### Presentations

SESSION	TIME	SESSION	TIME
Breakfast & Welcome	8:30 - 9:00 AM	LUNCH	Noon - 1:00 PM
Smart Pressure Regulation: Data & Remote Control	9:00 - 9:30 AM	Flexim Technologies	1:00 - 1:30 PM
Turbine Bypass Feedwater Systems	9:30 - 10:00 AM	Bettis™ RTS and XTE Electric Actuators	1:30 - 2:00 PM
<b>BREAK</b>	10:00 - 10:15 AM	Service Capabilities	2:00 - 2:30 PM
Rosemount Level Technologies	10:15 - 11:00 AM	DeltaV Roadmap The Next Evolution	2:30 - 3:00 PM
Rosemount Flow Technologies	11:00 AM - Noon	PRV Monitoring	3:00 - 3:30 PM

### Exhibits

All Exhibits Open from 8:30 AM to 5:00 PM

- Fisher™ Control Valves
- Electric Actuators
- Reliability
- Fisher™ Regulators & Steam Management
- Rosemount™ Instrumentation
- DeltaV™
- Power Industry Equipment
- Flow      - Pressure
- Inmation
- Pressure Relief Valves
- Flexim    - Temperature
- Advanced Solutions
- Isolation Valves
- Level
- Field Services
- Tank Gauging
