

# Technology Day

## KAPOLEI, OAHU

MAY 13, 2026  
8:30 AM - 5 PM

Register  
Today!

## Join Us!

Emerson and Caltrol invite you to attend an impactful day full of measurement instrument and valve/final actuation seminars focused on application solutions and strategies for higher reliability and improved efficiency.

We offer a wide variety of topics presented by Emerson and Caltrol experts and designed to address the challenges you face in your role.

### Your Registration Includes

- Complimentary breakfast and lunch
- A full track of seminars customized to you and your job responsibilities - **See next page for full schedule**
- Engage in one-on-one conversations with product and technology experts

## Seminar Details

This seminar is presented at no charge

### Date & Time

Wednesday, May 13th, 2026  
8:30 AM to 5 PM (Check-In and breakfast at 8:30 AM)

### Location

Embassy Suites by Hilton Oahu Kapolei  
725 Manawai St  
Kapolei, HI 96707

**\* Complimentary gated and street parking available\***

### Who Should Attend

Engineers, Technicians, Plant Managers, Maintenance & Reliability Teams, Piping and Equipment Inspectors, HS+E, Operations, Planners/Schedulers, Procurement, and anyone curious about the latest in industrial automation & controls

# What to Expect:

## Agenda & Demonstrations

### Presentations

| SESSION  | TIME             |
|--|------------------|
| <b>Breakfast &amp; Welcome</b>                   | 8:30 - 9:00 AM   |
| Smart Pressure Regulation: Data & Remote Control | 9:00 - 9:30 AM   |
| Turbine Bypass Feedwater Systems                 | 9:30 - 10:00 AM  |
| <b>BREAK</b>                                     | 10:00 - 10:15 AM |
| Rosemount Level Technologies                     | 10:15 - 11:00 AM |
| Rosemount Flow Technologies                      | 11:00 AM - Noon  |

| SESSION                                | TIME           |
|--|----------------|
| <b>LUNCH</b>                           | Noon - 1:00 PM |
| Flexim Technologies                    | 1:00 - 1:30 PM |
| Bettis™ RTS and XTE Electric Actuators | 1:30 - 2:00 PM |
| Service Capabilities                   | 2:00 - 2:30 PM |
| DeltaV Roadmap The Next Evolution      | 2:30 - 3:00 PM |

### Exhibits

All Exhibits Open from 8:30 AM to 5:00 PM

- Fisher™ Control Valves
- Fisher™ Regulators & Steam Management
- Power Industry Equipment
- Pressure Relief Valves
- Isolation Valves
- Electric Actuators
- Rosemount™ Instrumentation
  - Flow
  - Flexim
  - Level
  - Tank Gauging
  - Pressure
  - Temperature
- Reliability
- DeltaV™
- Inmation
- Advanced Solutions
- Field Services
